MURRAY STATE UNIVERSITY
COURSE SYLLABUS OUTLINE

SCHOOL OF AGRICULTURE

COURSE NUMBER:  AGR 200  CREDIT HOURS:  3

I.  TITLE:

International Agricultural Experience

II.  CATALOG DESCRIPTION:

A course designed to enhance students’ understanding of international agriculture and how it relates to the overall impact on world food processing and production through travel/study abroad. An emphasis is placed on experiences, which have the potential to impact and add value to American/Kentucky Agriculture, as well as, those which hold key relationships to U.S. based agricultural trade and food development. Prerequisites for the class are: AGR 130 Agricultural Economics and at least one subject specific technical course in agriculture. All students are required to participate in an international experience/study abroad in a technical field of agriculture.

III. PURPOSE:

To develop and enhance students’ knowledge and understanding of international agriculture and how it relates to U.S. systems through study abroad in an agricultural setting or through working in an international agricultural setting abroad.

IV. COURSE OBJECTIVES:

A. To acquaint students with international agriculture through travel/study abroad.
B. To develop students’ understanding of international products/processing.
C. To enable students to visualize world food production, as well as, develop an understanding of the importance of international trade in agricultural products.
D. To utilize international experiences to develop new and innovative ideas.
E. To establish contacts and relationships with international agricultural businesses/production facilities for current and future gain.
F. To provide experiences in internationally- based travel/study abroad.
G. To allow students to experience international cultures and developments.
V. CONTENT OUTLINE:

A. United States agricultural trade and developments (NAFTA/GATT)
B. International production and processing techniques
C. Exploration of international agricultural markets
D. World food production and increased global demand/supply
E. International travel to selected agricultural production/processing systems
F. Technological impacts on selected countries agricultural systems

VI. INSTRUCTIONAL ACTIVITIES:

A. International Experience/Study Abroad
B. Assignments- written and oral presentations
C. International travel to selected countries beneficial to Kentucky Agricultural interests.
D. Internet and multi-media communication

VII. FIELD AND CLINICAL EXPERIENCES:

All students are required to participate in an international experience/study abroad in a technical field of agriculture.

VIII. RESOURCES:

A. Internet (WWW), Library, and Professionals within the Industry
B. State and National Agencies of Agriculture to include the Foreign Agriculture Service, USDA, FAO, and European Economic Community
C. International Students

Please refer to the most current copy of the Murray State University’s Undergraduate Bulletin and Graduate Bulletin.
XI. **ACADEMIC HONESTY POLICY:**

(Adopted by the MSU Board of Regents)
Cheating, plagiarism (submitting another person’s material as one’s own), or doing work for another person which will receive academic credit are all impermissible. This includes the use of unauthorized books, notebooks, or other sources in order to secure or give help during an examination, the unauthorized copying of examinations, assignments, reports, term papers, or the presentation on unacknowledged material as if it were the student’s own work. Disciplinary action may be taken beyond the academic discipline administered by the faculty member who teaches the course in which the cheating took place.

NOTE: The School of Agriculture Faculty have adopted and implemented an Academic Honesty Policy in addition to the University Honesty Policy, which can be found in the current Undergraduate Bulletin and Graduate Bulletin. The policy sets guidelines regarding acts of dishonesty and the procedure to follow should an event occur. It is each Agriculture student’s responsibility to obtain and read a copy of this document. The School’s Academic Honesty Policy can be obtained by asking for a copy from any Agriculture Faculty member or the Secretary.

XII. **TEXT AND REFERENCES:**

To be determined by the Instructor

XIII. **PREREQUISITES:**

AGR 130 Agricultural Economics and at least one subject specific technical course in Agriculture. All students are required to participate in an international experience/study abroad in a technical field of agriculture.

XIV. **STATEMENT OF AFFIRMATIVE ACTION AND EQUAL OPPORTUNITY:**

Murray State University endorses the intent of all federal and state laws created to prohibit discrimination. Murray State University does not discriminate on the basis of race, color, national origin, gender, sexual orientation, religion, age, veteran status, or disability in employment, admissions, or the provision of services and provides, upon request, reasonable accommodation including auxiliary aids and services necessary to afford individuals with disabilities equal access to participate in all programs and activities. For more information, contact Sabrina Y. Dial, Director of Equal Opportunity, Murray State University, 103 Wells Hall, Murray, KY 42071-3318. Telephone: 270-809-3155 (voice), 270-
XV. **MSU SCHOOL OF AGRICULTURE CELL PHONE POLICY**

The School of Agriculture recognizes that in today’s world cell phones are a familiar and often necessary form of communication for students.

It shall be the policy of the School that no cell phone usage shall be allowed in class and/or labs without the prior consent of the course instructor. This shall include verbal calling, incoming calls, email, text messaging, and use of cell phone calculators on tests and quizzes.

Cell phones must be kept off and out of sight (i.e. secured to a person’s belt or kept in a bag or purse away from desks and lab counters).

Should a student’s cell phone be visible, ring, or other form of unauthorized usage that is interruptive to the class or lab, the student may be asked to leave class and not return for that class/lab period.

Upon prior consent of the instructor, a student may obtain permission to have their phone on in case of an emergency or in critical family situations.

This policy also includes pagers and other electronic equipment such as blackberries and/or computers/laptops.
