

**CSC 345
Fall 2014**

**Programming Assignment #1
Due: September 3, 2014**

1. Exercise P13.14 on page 621 in your textbook.
2. Exercise P13.15 on page 622 in your textbook.
3. Exercise P13.23 on page 624 in your textbook.

Turn in a printed copy of all of your source code and sample output produced when your program is executed. It is not necessary to print source code from the textbook, unless you modified it.
