2016-2017 High School Verification

Student Name _____ MSU M# _____

Our office has received your Free Application for Federal Student Aid (FAFSA). The FAFSA does not confirm your high school complete status. This form should be completed to indicate your status as of your enrollment beginning the upcoming award year.

Once received, our office will continue processing your request for federal financial aid.

I have updated question #26 within the FAFSA to indicate the high school completion status effective for the 2016-2017 award year.

I have attached a copy of one of the following

A copy of the high school diploma

A copy of a final official high school transcript that indicates the date when the diploma was awarded

A state certificate or transcript received after the student has passed a State-authorized examination (GED test, HiSET, TASC, or other State-authorized examination) that the State recognizes as the equivalent of a high school diploma

If the student has completed secondary education in a foreign country, a copy of the 'secondary school leaving certificate or other similar document. Please translate the document, if applicable.

An academic transcript that indicates the successful completion of at least a two-year program that is acceptable for full credit towards a bachelor's degree

If the student was homeschooled in a state where state law requires the student to obtain a secondary school completion credential for homeschool (other than a high school diploma or its recognized equivalent), then submit a copy of that credential.

If the student was homeschooled in a state where law does not require the student to obtain a secondary school completion credential for homeschool (other than a high school diploma or its recognized equivalent), then a transcript or the equivalent, signed by the student's parent or guardian, that list the secondary school courses the student completed and includes a statement that the student successfully completed a secondary school education in a homeschool setting should be submitted

If you have additional questions or concerns regarding this request, please feel free to contact our office.

This document must be signed certifying the accuracy of the information provided. Any individual signing this form certifies that all information is complete and accurate.
