STUDENT EMPLOYMENT PROGRAM

Students requesting student employment on this application will receive a letter from the Student Employment Office indicating the student employment program for which they are eligible after financial aid eligibility has been determined.

Student employees are paid bi-weekly for both the Federal Work-Study Program and the University Student Employment Program.

Student employment is not guaranteed.

Federal Work-Study Program (FWSP)

Students must complete the Free Application for Federal Student Aid, or the Renewal Free Application for Federal Student Aid, and the Murray State Financial Aid application for each academic year to determine eligibility for the Federal Work-Study Program. FWSP is part of a student's financial aid package; the number of hours per week a student may work is determined by the student's need. Students eligible for FWSP will receive a letter and employment application from the Student Employment Office when eligibility has been determined. Campus departments/offices begin reviewing applications of eligible students in mid-July and making their selections for the upcoming year. Eligible students may also contact departments/offices. Employment on the Federal Work-Study Program is not guaranteed.

University Student Employment Program (USEP)

Any student enrolled at least half time may work on the University Student Employment Program (USEP), MSU's institutional part-time employment program for students. Each department/office employing students on USEP determines the number of students who will be employed and the number of hours worked per week (usually 12-20). Openings for the University Student Employment Program are filled by students who have contacted the departments/offices on their own. Entering students may work during the summer on USEP if they have been accepted for admission to Murray State. Students may contact departments during business hours.

STAFFORD STUDENT LOAN LIMITS

If you borrow your loan maximum during the regular academic year, you will **not** be eligible for another Stafford Subsidized or Unsubsidized loan until the following academic year. Summer term loans are available only if you have not borrowed your loan maximum during the prior academic year. The following loan maximums apply:

Federal Subsidized Stafford		Federal Unsubsidized Stafford*	
		Dependent	Independent

Freshmen	\$3,500	Freshmen	\$3,500	\$ 7,500
Sophomore	4,500	Sophomore	4,500	8,500
Junior	5,500	Junior	5,500	10,500
Senior	5,500	Senior	5,500	10,500
Graduate	8,500	Graduate		20,500

*Maximums include any Subsidized and Unsubsidized amounts

EMPLOYMENT FORMS

Students employed on campus for the first time will be notified when they must complete the following forms:

Withholding statements - Federal (W4) and State (K4). Students who do not complete withholding statements will be taxed at the single rate, 0 exemptions.

I-9 (Employment Eligibility Verification, required by federal regulation).

Students **must** present two documents to establish identity and employment eligibility. The most commonly used documents are:

1. A state-issued driver's license OR I.D. card with a photograph, AND
2. Original Social Security card OR a birth certificate with a seal.

KRS 44.030 directs that "no money shall be paid to any person who is indebted to the state. The claim ... shall be credited to the account of the person so indebted, and if there is a balance due him after settling the whole demand of the state, such balance shall be paid to him." Therefore, you should be aware that your student employment check may be held for any indebtedness to Murray State. This includes any unpaid parking tickets.

CONSENT FOR USE OF FUNDS

Federal regulations require that Murray State have a signed consent from you in order to pay any charges other than tuition and related fees, room and meals from your federal financial aid funds. By signing this form you are giving your consent for Murray State to use your federal financial aid funds to pay other charges on your account for you. If you do not wish to give your consent, you may enclose a separate statement to that effect or you may rescind your consent at any time in writing.

NON-DISCRIMINATION POLICY

Murray State University does not discriminate on the basis of race, color, national origin, sex, disability, age, religion, or marital status in admission to educational programs and activities, or employment practices in accordance with Title VI, Title IX, Section 504, and ADA Act.
