**CPE Definition:** 1st Time Freshmen and 1st Time Undergraduate Transfers—CPE defines a Fall 1st Time Freshman as an “associate or baccalaureate degree-seeking, full- or part-time student that first enrolled in college (excluding any work taken before high school graduation) during the fall term.” If a student enrolled in a college during the summer term immediately following their high school graduation and THEN enrolled at MSU during that fall term, CPE considers that person a 1st Time Transfer student. A freshman that starts at MSU during the summer term is considered a 1st Time Freshman during that summer term, NOT a 1st Time Freshman during the fall term.
