

Using the Class Search Feature

1. Enter your search criteria (the subject field is the only required field).
2. Click Class Search to search for available courses that meet your criteria.

i Use the selection options to search the class schedule. You may choose any combination of fields to narrow your search, but you must select at least one Subject. Select Class Search when your selection is complete.

Subject:
 Administration and Supervision
 Agriculture

Course Number:

Title:

Schedule Type:
 Applied Lesson (music)
 Audio Tape

Instructional Method:
 Applied Lesson (Music)
 Audio Tape

Credit Range: hours to hours

Campus:
 Fort Campbell
 Henderson

Course Level:
 Continuing Education Unit Prog
 ESL program

****To search on All subjects, select the first subject and hold down the mouse to scroll and highlight all of the subjects.**

Your results will be listed. Below is an example of a search. If a appears in the Select column, you may click on that box to add that specific course to the worksheet or to directly register for that class from the search results. A "C" in the Select column indicates that specific course/section is closed.
