Please submit grades often. There is a 45 minute time limit on this page.

Make sure you get this message The changes you made were saved successfully. at the top of your page.

It is important to print a copy of each of your class rosters with the grades you have submitted. Give a copy to the chair/dean for departmental archives. Final grades only are viewable on myGate through the Advisor Dashboard, on a degree audit (MAP) and on the online academic transcript. (For instructions, see myGate Support Advising tab.)
