Election of a faculty representative to the Murray State University Board of Regents for the term of July 1, 2010 – June 30, 2013 will be held in April. Nominations will be accepted from March 1 – April 6.

Nomination petitions are available from the Faculty Senate Office (Wells Hall 333 – 4273) and require twenty (20) signatures of eligible faculty. Eligible signatories are members of the instructional/research staff holding the rank of assistant, associate, or full professor whose regular assignment is instruction of students including those with release time for research and other professional personnel holding faculty appointment.

Candidates for Faculty Regent must be tenured members of the instructional/research staff holding the rank of assistant, associate, or full professor whose regular assignment is instruction of students including those with release time for research and other professional personnel holding faculty appointment. Deans, directors of administrative units, assistant deans, departmental chairs, or their equivalents will be considered administrative positions. Acting administrators (for example, chairs) are eligible; however, if they are chosen as faculty regent they must resign their administrative position. The Faculty Regent will be elected by those faculty holding the rank of assistant, associate, and full professor to include full and part-time faculty appointments.

The Rules, Elections, & Bylaws Committee shall serve as the authority to resolve questions or problems with the elections.
