

McNair

The McNair Scholars Program prepares undergraduate students from either low-income, first-generation college families, or groups historically underrepresented in graduate education to successfully pursue doctoral study.

Benefits of being a McNair Scholar include:

- **\$2800 STIPEND** for participating in a faculty-mentored research, scholarly, or creative experience
- **INSIDE TIPS** on graduate programs and paid internships
- **ASSISTANCE** in securing financial aid for graduate school
- **FREE GRE PREPARATION** workshop and class
- **TRAVEL OPPORTUNITIES** to attend an all-expenses-paid professional conference and visit graduate programs
- **FEE WAIVERS** for many graduate school applications
