

Do you have a **research, scholarly, or creative project**?

Would a **\$2000 STIPEND** help?

Apply to receive a

Research Scholar Fellowship

With support from the Provost's office, URSA is pleased to make Research Scholar Fellowships available in the 2008-2009 academic year. To be eligible for an award, a student must be enrolled as a full-time MSU undergraduate. The project must have a faculty mentor and should be completed during the upcoming academic year, although work on the project may continue into the summer of 2009. Each fellowship carries a student stipend of \$2000, paid out as work on the project progresses. Each fellowship also has an expense budget of \$500 and a faculty stipend of \$500. Should additional funds be needed for supplies, travel, etc., additional support can be sought through the URSA grants program.

**Application Deadline
September 19, 2008**
